

COVID-19 Resource Guide

Version 6 – Updated April 20, 2020

About this Guide

The following guide is a compendium of resources related to COVID-19. These resources were identified by our quality improvement experts on behalf of the Centers for Medicare & Medicaid Services (CMS). These resources will help support your work in reducing COVID-19 cases and helping prevent new cases.

About the IPRO QIN-QIO

The IPRO Quality Innovation Network-Quality Improvement Organization (QIN-QIO) is a collaboration of three organizations—Healthcentric Advisors, Qlarant, and IPRO. Led by IPRO, we are designated by CMS to serve New England, New York, New Jersey, Ohio, Delaware, Maryland, and the District of Columbia. We bring communities together with data-driven initiatives to achieve national health quality goals.

This material was prepared by the IPRO QIN-QIO, a collaboration of Healthcentric Advisors, Qlarant and IPRO, serving as the Medicare Quality Innovation Network-Quality Improvement Organization for the New England states, NY, NJ, OH, DE, MD, and the District of Columbia, under contract with the Centers for Medicare & Medicaid Services (CMS), an agency of the U.S. Department of Health and Human Services. The contents do not necessarily reflect CMS policy. 12SOW-IPRO-QIN-TA-AA-20-47
