

MFPC PRESENTS

Falls Prevention Awareness Week

20-24 Sept 2021

The Maine Falls Prevention Coalition is committed to empowering all older adults throughout Maine to age well, and that includes avoiding falls.

We invite your community to join in this important awareness campaign.

Visit knowfallsforME.org to find shareable resources, and view the complete listings of in person and online falls prevention events happening through the month of September.

We are actively planning events now – continue to check our calendar throughout the summer for updates.
