

COVID-19 TESTING

Federally funded COVID-19 testing for shared settings

What is Operation Expanded Testing?

Operation Expanded Testing is a program supported and funded through the U.S. Department of Health and Human Services to provide COVID-19 testing to qualifying group settings such as K-12 schools, congregate living facilities, prisons, and more at no cost to the organization. This program is being run by Affinity Empowering on behalf of Eurofins, a Clinical Enterprise company. Participation in this program is simple for qualifying organizations and helps them stay safer against the risk of COVID-19.

For more information and to enroll, visit us at Safercommunities.AffinityTesting.com or by phone at 1-844-631-0469, or email OperationExpandedTesting@AffinityEmpowering.com

Participants in this program will receive:

Flexible testing experiences and the ability to adjust testing plans as needed

Testing at **no cost** to the qualifying organization such as underserved populations, congregate settings, and more

Confidence in having plan to rapidly identify and limit spread of COVID-19

Prepared

Easily and **quickly** implemented processes built on industry best practice and informed by years of experience

Timely notification of test results

A sense of **wellness** and **security** for individuals and staff

Implementation process for Operation Expanded Testing

Enrollment

Immediate, real-time access via a user-friendly enrollment platform for easy setup
